

Task 4

Details are submitted as excel output downloadable files

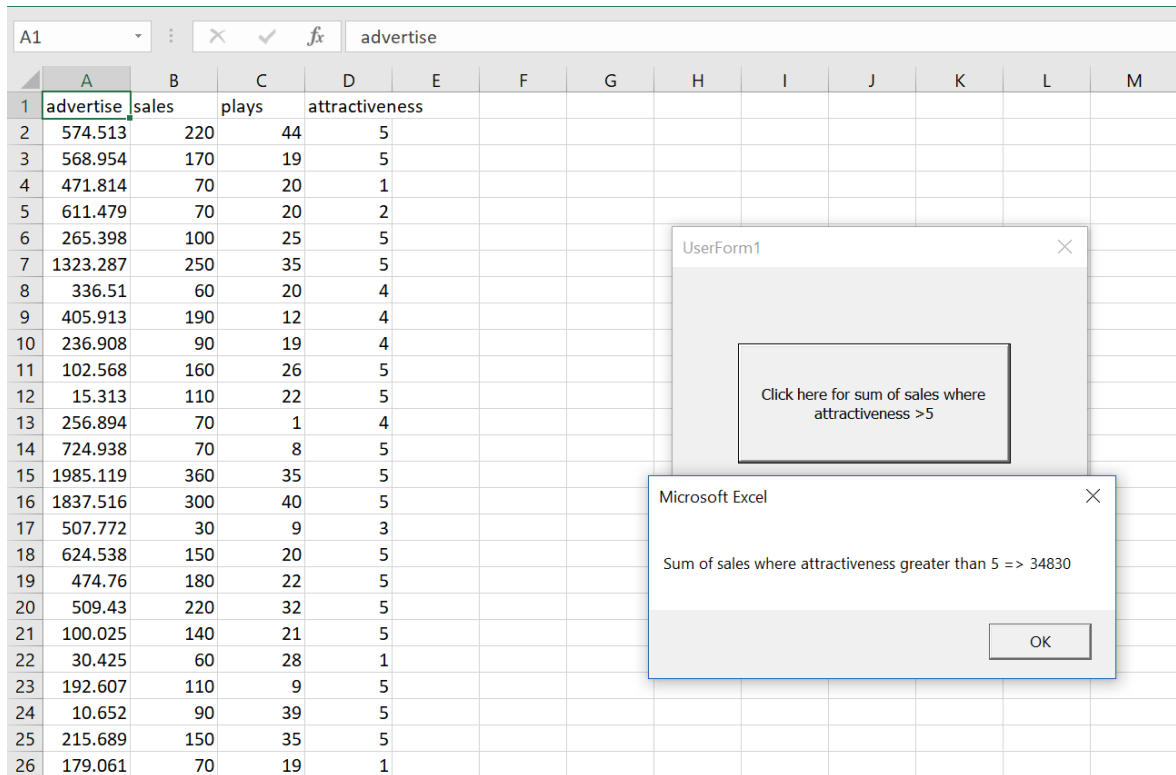

A macro is created with a command button, on clicking which, sum of sales for "attractiveness>5 " is displayed as a message.

The workbook is protected with password "password@123456", saved and uploaded.

The protected workbook is shared by giving edit access and implementing track change.

The macro code is copied below for reference: (common for both files)

```
Sub Macro1()  
Sum = 0  
For Row = 2 To 201  
If Cells(Row, 4) > 5 Then  
Sum = Sum + Cells(Row, 2)  
End If  
Next Row  
MsgBox ("Sum of sales where attractiveness greater than 5 => " & Sum)  
End Sub
```

The screenshot shows an Excel spreadsheet with the following data:
